GENERAL INFORMATION ABOUT GRADE 10

- ✓ Students will take five classes per semester.
- Students are enrolled in the English Prime Program OR the French Immersion Program. Students **CANNOT** change their program without completing the application process with the guidance department in consultation with District prior to end of April.

2024-2025 COURSE SELECTION SHEET FOR STUDENTS ENTERING GRADE 10

- ✓ All courses are one semester in length and upon successful completion, count as 4 credit hours.
- ✓ Students are required to complete a minimum of 100 credit hours from specific clusters to be eligible to graduate.
- **Science 10/FI Science 10 is required if planning to take Chemistry or Physics courses.
- ✓ Students have choice of courses in each cluster to earn credit hours. (Grade 10 options are listed below)
- ✓ To graduate with a French Immersion certificate, students need to enroll in a minimum of ten French Immersion courses over grades 10, 11 & 12.
- ✓ The schedule for each program is listed below. The shaded cells are mandatory requirements.
- ✓ Courses with an asterisk may be used to fulfill the requirements for no more than one cluster.

Course Selection for Grade 10 Students

English Program	French Immersion Program			
English Language Arts 10 Foundations	English Language Arts 10 Foundations			
Geometry, Measurement, and Finance 10	F.I. Geometry, Measurement, and Finance 10			
Civics	F.I. Civics
