

## Bernice MacNaughton Ski Club 2025/2026

This year we would like to offer an after-school Ski Club for students wishing to ski/snowboard and learn to ski/snowboard at Poley Mountain in Sussex. Weather permitting, we will start on Wednesday, January 7, for 6 weeks. If the weather cooperates, we will finish on February 18. Please note that we will not be going during exam week.

All students participating must **take the bus both ways** and **take a lesson** each week. The lesson is not optional. We have chartered Optimum Rides for Transportation. This provides lots of storage for gear, and an onboard washroom. We will be leaving school at 3:40 and returning around 10:00pm.

New for 2025/2026 is the season pass add-on. Students that participate in the after-school program will have the option to buy a season pass after the *last evening* for only \$50. This should make for a very affordable six weeks of skiing once we are done, including March Break!

**Spots will be allocated to the first 32 students who pay the required fees.**

**Registration will open Thursday November 21st, 2025 at 12:01 am. Once 32 spots are paid for the system will no longer allow additional students.**

The anticipated prices are as follows, but there may be some slight changes:
